Government Health Scheme under National Health Mission

- Special 20-bed ward ready at District Hospital on KRS Road
- Call 104 to avail free medical help, vehicles to shift patients

District Helath Officer (DHO) Dr. K.H. Prasad (second from left) seen with District Hospital RMO Dr. Nayaz Ahmed and staff during an inspection.

Mysuru, Sept. 14 (RK & BCT)- In probably the biggest single free healthcare initiative after the COVID-19 pandemic by the District Health and Family Welfare Department, a Government scheme has been launched to make free medical care available at the doorsteps of people in need, especially senior citizens, terminally ill patients and those who are in the sunset of their lives.

The strategy is to unveil a clutch of user-friendly medical services where healthcare is taken to the doorsteps of the people. Starting with 'Call 104', shifting patients to care centres and establishing a 20-bed ward at District Hospital, the initiative under National Health Mission (NHM) is aimed at providing comfort to the patients and their caretakers at home.

One ticket for selected tourist places

Mysuru, Sept. 14 (RK & BCT)- After dilly-dallying for over four years, the District Administration has finally decided to launch 'one ticket many tourist destinations' concept where tourists can purchase a single ticket that will enable them to access many tourist places during Dasara.

Tourism and travel industry stakeholders have been urging the Government for the last 4 years to introduce single-ticket entry to tourist sites but their requests were not considered.

EDITOR'S BOTTOMLINE

Our kartavya is not our job. Job is the work we do to earn a living. And kartavya is the work that needs to be performed by one and all — at three levels — body, mind and soul — for oneself and all including our family, community, country and the world — to maintain the gati in Nature, to keep things moving forward, says the Bhagvadgita and even Krishn is not spared from doing this.

Our kartavya towards our body, for instance, could be to maintain personal hygiene, eating nutritious food, exercising; our kartavya towards our mind could be to keep it stress-free, manage time well, be watchful that no negative thoughts seep in and deplete our energy; towards our soul — meditate, listen to it, not ignore it, and draw energy to work on its wisdom. Keeping our house clean and not throwing garbage on the streets could be our kartavya towards our neighbourhood and so on.

Restraining the senses even in the mind, devoid of any attachment, performing one's kartavya, without any expectations, helps you attain sambuddhi and such a person is shreshth — superb, says Krishn. This is an essential teaching for all — leaders and countrymen. And the Bhagvadgita gives us all a road map to become superb human beings.

Equanimity is a feeling that takes you close to bliss, when ups and downs of life do not shake you. For anything of consequence to take shape in your mind, a constructive idea, a creative project, equanimity is essential.

And equanimity comes when you have performed the karma at hand without attachment, till the point of satisfaction of having done one's best, selflessly. This way you will never be stressed, you'll feel light and elated. Thus, in the word 'kartavya' lies the whole game plan of our evolution. And perhaps our country's growth too.

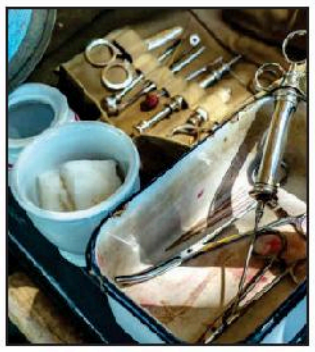
Woman accuses husband of selling her kidney



Kodameta: A woman has accused her husband of stealing and selling one of her kidneys on the black market without her consent.

Ranjita Kundu, a middle-aged woman from Kodameta, a village in Odisha, claims that her husband stole and sold one of her kidneys four years ago. She only recently came to know about his actions, after seeing a doctor for abdominal pain and learning that she only had one kidney. The woman claims that in 2018, under the pretext of taking her to a hospital to undergo an operation to remove kidney stones, her husband arranged for one of her kidneys to be removed so he could sell it on the black market.

Ranjita recently filed a complaint against both her husband and her sister-in-law, accusing them of plotting to steal and then sell her kidney without her consent using forged documents.

Toy trucks spell out sentence for world record

Idaho (United States): An Idaho-based logistics company broke a Guinness World Record when employees used 2,098 toy trucks to spell out the sentence: "Truck drivers are the rock stars of the road!"

The spelled-out message measured more than 65 feet wide and nearly 14 feet tall.

The employees at Truckstop, a load board and technology provider, attempted the Guinness World Record for largest toy truck sentence as part of their celebrations for National Truck Driver Appreciation Week

The toy trucks used in the attempt will be donated to Western Idaho Community Action Partnership, a nonprofit that will distribute the toys to local children ahead of the holiday season, Truckstop said.

Pre-school education to be started in Anganwadi centres

Bengaluru, Sept. 14 (KMS & DM)- Minister for Women and Child Development Halappa Achar said that there is no question of retrenching Anganwadi workers for the reason that they have less qualification.

Halappa Achar

He was replying to a question by JD(S) MLC Govindaraj during Question Hour in the Legislative Council here on Tuesday.

Pointing out that the National Education Policy-2020 (NEP-2020) will be implemented in Anganwadi centres too, Achar said that as part of it, Pre-school education will be started in about 20,000 Anganwadi centres of the State for which six committees have been formed.

Noting that the curriculum will be set based on the recommendations of these committees, the Minister said that handbooks that are prepared based on the curriculum, will be distributed among Anganwadi workers.

Continuing, Achar said that 732 Anganwadi workers of the State have a Post-Graduate degree, while 6,017 are degree holders, 14,303 are PUC qualified and 40,786 are SSLC pass.

The Karnataka Government plans to implement NEP in about 20,000 Anganwadi centres in which workers having qualifications higher than PUC are serving, he added.

Dysfunctional Co-operative Societies to be liquidated

Mysuru, Sept. 14- As many of the Water Consumer Co-operative Societies pertaining to KRS, Kabini, Harangi and Hemavathi Projects coming under its jurisdiction, have become dysfunctional with no activities whatsoever for years, the Cauvery Command Area Development Authority (CADA) has decided to liquidate these Societies as per the Karnataka Co-operative Societies Act. As CADA (Cauvery) has thus far received no intentions from the Societies' members or the public for their revival, it has invited objections, if any, from members of the public against liquidation. The objections, along with supporting documents, must be filed in writing within 15 days.

MUDA sets precedent to stop frequent road-cutting

Mysuru, Sept. 14- The Mysuru Urban Development Authority (MUDA) seems to have set a precedent to stop frequent road-cutting by positively responding to a memorandum submitted by Vijayanagar 3rd Stage Residents' Welfare Association to the MUDA Commissioner to prevent digging up of newly laid roads to lay pipes for electricity, water or Underground Drainage (UGD) connections to new houses.

Though Mysuru City Corporation (MCC) or MUDA collects road-cutting charges from the owners of the buildings, in most cases they seldom repair the damaged surface of the road.

The ongoing widening and reconstruction of 80 ft. road running between Vijayanagar 3rd Stage C and B Block by MUDA was considered highly unscientific. Hence, Association President Ravikumar and Hon. Legal Advisor Mandetira N. Subramani submitted a memorandum to Chamundeshwari Constituency MLA G.T. Devegowda (GTD) and MUDA Commissioner G.T. Dinesh Kumar in this regard on Aug. 30, 2022.

They had appealed to lay a suitable good quality pipes cutting across the 80 ft. road to facilitate 59 vacant site owners to draw water pipelines, electrical cables, UGD pipes and other cables for telephone lines and internet connections at the time of construction of their houses / commercial complex on either side of the road without cutting the road at any point of time.

As MUDA authorities have accepted the suggestion, the contractor has started implementing the same by laying one and a half diameter concrete pipes at the basing of road stage itself

Vijayanagar 3rd Stage Residents' Welfare Association President Ravikumar** (right) **and Hon. Legal Advisor Mandetira N. Subramani inspecting the pipe laying works.

since yesterday (13.9.2022) before surfacing of the road for drawing water pipelines and other cables without digging the asphalted road. Thanks to MUDA, in future vacant site owners need not do any 'road cutting' on this stretch for any purpose.

In a press release, the Association President has thanked GTD and MUDA Commissioner for considering their suggestion.

He also expressed his gratitude to the Association's Legal Advisor Subramani, a retired Senior Non-Commissioned Officer of Indian Air Force, for conceiving this idea.

M.N. Subramani, who is also the President of 32-year-old, city-based VeKare Ex-Servicemen Trust, which takes up community service and just causes of Ex-servicemen and their widows, said that by implementing the suggestion to scientifically broaden and reconstruct the 80 feet road, running close to 1 km in length in Vijayanagar 3rd Stage, the MUDA has set a precedent and hoped would follow the same in all layouts in future.

He opined that even the residents should be vigilant and monitor the quality of construction of roads in their layouts collectively or complain to the competent authorities if they find any shortcomings in construction of the roads since expenditure is met from the tax-payers' money.

Sanchalana Youth Theatre Training concludes

Kalamandira in city lacks funds for maintenance: Dr. M.D. Sudarshan

Mysuru, Sept. 14 (SPN&DM)- Expressing disappointment that the Department lacks fund for proper maintenance of the city's Kalamandira, Kannada and Culture Department Assistant Director Dr. M.D. Sudarshan said that the Department was facing problems even for disbursing salaries of technical employees.

He was speaking at the valedictory of Sanchalana Youth Theatre Training Camp organised by Sanchalana Mysuru, in association with Kannada and Culture Department, at Mini Theatre (Kirurangamandira) in Kalamandira premises here recently.

Pointing out that he came to Mysuru on June 21 after being transferred from Hassan, Dr. Sudarshan said, what he first did was to understand the financial management here.

Maintaining that Kalamandira was facing a severe cash crunch, he said that he has brought this to the notice of higher ups in the Department. Subsequently, the Government sanctioned Rs. 68.5 lakh for taking up civil works and Rs. 46.75 lakh for Sound & Light equipment repairs, he said.

Contending that his predecessors had not fixed a scientific rent for organisation of programmes at Kalamandira, Dr. Sudarshan opined that the appointment of excess staff has proved to be a financial burden. Stating that Kalamandira received a monthly electricity bill of Rs. 87,000 during COVID pandemic when no programmes took place, he wondered how this had happened.

Recalling his service in Hassan, Dr. Sudarshan said that Hassan Kalamandira faced difficulties in collecting a monthly rent of Rs. 5 lakh. This was brought to the notice of the Government.

Later, Dr. S.L. Bhyrappa's play 'Parva' was enacted at the Kalamandira and subsequently, the earnings exceeded Rs. 8 lakh, he said adding that he still holds additional charge of Hassan too.

Continuing, Dr. Sudarshan said that the Government has released Rs. 1.15 crore for repair of leaking roof of Mysuru Rangayana and repair of Sound & Light system. He appealed theatre lovers to join hands with the Department for development of the Kirurangamandira.

Rangayana Director Addanda C. Cariappa, in his address, said that only electricity bill is issued for Kalamandira, Kirurangamandira and Rangayana, as all the three are in one premises.

Maintaining that failure on the part of Kalamandira to pay electricity bills on time, will also have an impact on Rangayana, he said that Rangayana felt the effect a few months ago, when Rangayana staff staged a dharna in front of the concerned Minister's house at Bengaluru. Subsequently, the Minister sanctioned Rs. 5.5 lakh grant, which was used for clearing power bills, he said.

Everyone concerned should raise their voice for proper and regular maintenance of Kalamandira and Kirurangamandira, he added.

Sanchalana Mysuru's Deepak Mysore, Playwright Usha Narasimhan, Theatre Director Jeevankumar B. Heggodu, and others were present. Sanchalana staged 'Kanchugannadi' play.

Revenue earnings took a hit due to COVID, clarifies past Kannada and Culture official

H. Channappa

Mysuru, Sept. 14 (SPN&DM)- A day after the current Kannada and Culture Department Assistant Director Dr. Sudarshan regretted that Mysuru Kalamandira had fallen woefully short of revenue earnings, his predecessor Assistant Director H. Channappa has clarified that the shortfall was only due to COVID pandemic.

Speaking to *Star of Mysore*, Channappa, who was transferred out of Mysuru in June this year, said that during his tenure in Mysuru, he had written to his higher ups seeking funds for taking up Kalamandira roof repair works, other civil works and repair of Sound & Light equipment. But even as the correspondence on sanction of funds was going on, he was transferred. But now the funds, for which he had strived for, has been released, he maintained.

Continuing, he asserted that he had not let out Kalamandira or Kirurangamandira for free for anything else other than Govt. events. Besides, the Govt. itself had ordered to not let Kalamandira for rent due to COVID pandemic. As such, even though the Kalamandira did not earn any revenues during the pandemic, the minimum electricity charges had to be paid as usual.

As there was shortage of funds, the Kalamandira had to look for other sources of revenue, which took some time and hence, there was delay in payment of power bills, he noted. Contending that all these facts are known to everyone associated with Kalamandira and Rangayana, Channappa said that despite facing cash crunch, Kalamandira did not retrench any of it's employees and paid them wages as per Government direction. Besides, all the personnel who were appointed on contract basis are still continuing their service in Kalamandira, he added.

Plot to grab ownerless land worth crores of rupees with fake documents

By S.T. Ravikumar

- RTI activist brings case to light
- Additional Tahsildar N. Vishwanath orders registration of criminal case

Mysuru, Sept. 14- Cases of land sharks creating fake documents and grabbing lands in Mysuru surroundings are increasing day by day.

RTI activist B.N. Nagendra has brought to light a plot by a reputed family to grab land worth of crores of rupees following which Mysuru Taluk Additional Tahsildar N. Vishwanath, on Sept. 7, has ordered cancellation of the illegal land Khata and registration of criminal cases against those who had committed forgery to obtain the Khata.

On Apr. 26, 2021, one Sudheer Jayagopal, a resident of Bengaluru, had applied for Khata change for 3.04 acre land located on Survey No. 206 in Lalithadripura village, Varuna hobli in Mysuru taluk. Additional Tahsildar Vishwanath, in his order, has quashed the Khata change application submitted by Sudheer following which the proceedings in MRH 28/2020-2021 (Transaction No. 81) registered in the Land Records section has been cancelled.

The Addl. Tahsildar has also ordered the Revenue Inspector of Varuna hobli to register a criminal case against the culprits and initiate necessary action.

This apart, Additional Deputy Commissioner (ADC) Dr. B.S. Manjunathaswamy, who has written a letter to the Office of the Mysuru Assistant Commissioner on Sept. 2, has instructed to conduct an enquiry into Taluk Office staff, who had joined hands with land sharks and created fake documents pertaining to 3.21 acre land in Survey No. 206 at Lalithadripura village and 22 guntas land in Survey No. 55/2 and 8 gunta land in Survey No. 55/6 at Tirumakudalu village in T. Narasipur taluk and initiate legal action as urged by RTI activist B.N. Nagendra. The letter also instructed the Assistant Commissioner to check the genuineness of the family tree *(Vamsha Vruksha)*, Death Certificate and other documents pertaining to the lands and submit a report to him.

The said 3.21 acre land in Survey No. 206 at Lalithadripura was originally a Government land which later came to Melukote Shingaiyengar as per RR 379 of the proceedings. His name is also registered in the RTC, according to the complaint lodged by RTI activist Nagendra with the Mysuru Deputy Commissioner.

The complaint further states that T. Narasipur former MLA Srinivas Iyengar, Lalitha Jaigopal and others have given their address as residents of Mysuru, obtained the family tree and submitted an application for Pouthi Khata. Nagendra has alleged that the officials without obtaining the Death Certificate of the original land owner and family tree, prepared a check list and went forward to prepare the Pouthi Khata.

Nagendra has urged to initiate legal action against the T. Narasipur Tahsildar Office staff for identifying lands without owners and joining hands with land sharks to prepare Pouthi Khatas for them, following which the Additional Tahsildar has ordered legal action.

It may be recalled that Kuvempunagar Police had recently arrested three persons who were involved in creating fake land documents and had seized fake seals (rubber stamps) of various Departments and printers which were used to create fake land documents.

Online fraud: Doctor among two women lose Rs. 8.43 lakh

Mysuru, Sept. 14- In separate cases, two women including a doctor have lost a total sum of Rs. 8,43,818 to online fraudsters.

In the first case, 27-year-old Varnitha, a resident of Janata Colony in J.P. Nagar, received a message on her WhatsApp which stated about job openings at a city Convent.

The message also stated that in order to get the job, the aspirant must complete certain tasks and the fraudster got a total sum of Rs. 7.49 lakh transferred in phases from Varnitha, thus cheating her.

In the second case, a fraudster, who called 42-year-old Dr. N.A. Anitha Rani, a resident of Shakthinagar, informed her to pay the credit card fee failing which Rs. 50,598 will be deducted from her Bank account.

The caller then sent a website link to the doctor and informed her that she could prevent deduction of amount by clicking on the link sent to her.

When the doctor clicked on the link and began following the instructions, a total amount of Rs. 94,818 was deducted from her Bank account. Both the cases have been registered at city's CEN Police Station.

KIKS Library roof in dilapidated state

Students stage flash protest, demand basic facilities

Mysuru, Sept. 14 (PM&TRR)- The students of Kuvempu Institute of Kannada Studies (KIKS), University of Mysore, staged a sudden protest on Monday demanding proper basic facilities including drinking water for them.

The students, who assembled near the main gate of the Institution, said that KIKS is one of the prestigious institutions of University of Mysore but even basic amenities are not being provided here.

"The roof of the KIKS Library is in a dilapidated condition with mortar and concrete coming off the roof, exposing steel rods. There is water leakage from the roof and students are forced to study in the Library under such conditions. The authorities concerned have not taken any action in this connection," they complained.

"There is no drinking water facility here. If students and teachers forget to bring drinking water, they are bound to suffer from thirst. There is no separate toilets for students and lecturers, causing problems for students though there is separate toilet for men and women. Even the toilets are not kept clean," they alleged.

The students called off their protest after an assurance from University Registrar (Administration) Prof. R. Shivappa, who came to the venue of protest, heard students' problems and offered immediate solution to their problems.

University of Mysore Research Students Association President Nataraj Shivanna, student leaders Pradeep, Ranjita, Poojita, Shivakumar, Maruti, Arun and others participated in the protest.

Elephant birth inside Palace brings cheer

Dasara elephant Lakshmi delivers healthy male calf; likely to be named 'Ganapathi'

By M.T. Yogesh Kumar

Mysuru, Sept. 14- The birth of a male calf to Lakshmi, the 22-year-old Dasara elephant in the Mysore Palace premises has brought cheer to the Navarathri festivities and the members of the Mysore royal family, Mahouts, Kavadis and their families are elated.

Equally happy are the Forest Department officials, who are taking good care of the mother and son. Lakshmi gave birth to a healthy calf at 8.10 pm yesterday. The Forest Department has created a separate enclosure for Lakshmi and her calf and entry has been restricted. The Mysore Palace Board is thinking of naming the calf as 'Ganapathi'. Vishalakshi Devi, sister of late Srikantadatta Narasimharaja Wadiyar had taken personal care in bringing up Lakshmi and the bond between the mother elephant and the royal family has grown only stronger with the birth.

In fact, Lakshmi was separated from her mother deep inside the forests. After taking permission from the Forest Department, Vishalakshi Devi, passionate about animals, provided food and shelter to Lakshmi at her resort near Bandipur Tiger Reserve. Later, following a Supreme Court order, Vishalakshi Devi handed over Lakshmi to the Forest Department.

Even after many years after handing over Lakshmi, Vishalakshi Devi made it a habit to visit Rampura Elephant Camp regularly and used to feed her with sugarcane and jaggery.

This is the second time an elephant has given birth inside the Mysore Palace premises during Dasara. 15 years back elephant Sarala had given birth to a female calf and it was named 'Chamundi'. In the past, Durgaparameshwari, Vijaya, and Chaitra have given birth in the forest camps after participating in the Dasara festivities.

First-time Mysuru visit

Lakshmi was brought to Mysuru Dasara for the first time in 2017. But as she panicked during the cannon firing round, she was not included in the Vijayadashami procession and had to remain inside the Palace. She was brought this year in the first batch on Aug. 7 and she behaved normally during the recent exercise of cannon firing.

Yesterday afternoon, Lakshmi started behaving in an unusual way which caught the attention of the Mahout and the Kavadi, who alerted the officials. When veterinarian Dr. Mujeeb examined the elephant, it was found that she was fully pregnant and would deliver soon.

Lakshmi was later moved near Bhramapuri Gate where cooked food is prepared for the pachyderms. Her health was put under close watch and she went into labour and delivered at 8.10 pm. Deputy Conservator of Forests Dr. V. Karikalan, RFO Santosh Hoogar and veterinarian Dr. Mujeeb are overseeing the arrangements.

Mahouts unaware

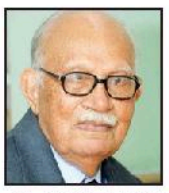
Normally, pregnant elephants are not brought for Dasara from the elephant camps and this time, Kunthi was rejected as she was pregnant. Instead of Kunthi, Sugreeva made it to the elephant team. But the Mahouts and Kavadis were unaware of Lakshmi being pregnant. Jayaprakash at Rampura camp could have sired the calf, said the elephant caretakers.

Only 13 elephants in *Jumboo Savari*

With the birth, the number of elephants in the Palace has risen to 15 but it is unlikely that Lakshmi will participate in the Vijayadashami procession. She is drained off and needs rest to recover her energy. Sources said that only 13 elephants will take part in the *Jumboo Savari.* As per the advice given by the veterinarians, the Forest Department has decided to keep Lakshmi and the calf within the Palace premises for a few more months as it is not advisable to shift the mother and son back to the Rampura Elephant Camp before that.

MLA Tanveer Sait pays rich tributes to Prof. B. Sheik Ali

Poet Dr. Irfan Ahmed Riazi presenting the poem penned by him in memory of late Prof. Sheik Ali to Dr. Zakir Hussain, son of late Prof. Sheik Ali, as MLA Tanveer Sait, Moulana Haziq Nadvi, Dr. Nasrulla, Prof. Riaz Ahmed, Dr. K. Javeed Nayeem and Syed Shafi Ahmed look on.



Prof. Sheik Ali

Mysuru, Sept. 14 (AP)- "Just holding a condolence meeting in memory of late Prof. B. Sheik Ali is not enough. We must take forward his incomplete projects and dreams to serve the community in particular and society in large. Only then it will be a real tribute to the departed," said MLA Tanveer Sait.

He was speaking at the meeting to condole the death of Prof. Sheik Ali, former Vice-Chancellor, Mangalore and Goa Universities, organised by Anjuman-E-Hadeeqat-ul-Adab in city on Sept. 10.

Tanveer Sait said that even at the age of 98, Prof. Ali, who passed away on Sept. 1 at a private hospital in city following brief illness, worked hard for the upliftment of children and to provide good education. The late Professor showed to the world how an individual can reach great heights without wasting a single day in his life.

Renowned Urdu poet Dr. Irfan Ahmed Riazi recited a poem penned by him to Prof. Ali and later presented it to Prof. Sheik Ali's son Dr. Zakir Hussain.

City's well-known physician and *SOM* columnist Dr. K. Javeed Nayeem, paying tributes to the late Professor, urged MLA Tanveer Sait to use his good office to name a road or an important landmark in city after Prof. Sheik Ali. Dr. Javeed Nayeem recalled his memories with Prof. Ali and also about the selfie of him with the late Professor.

Moulana Haziq Nadvi, Director of Darul Umoor in Srirangapatna and Dr. Nasrulla Khan, Assistant Professor at KSOU, also spoke. Momina Mukhtar and Zareena Khursheed recited poems in memory of late Prof. Sheik Ali.

President of Anjuman- E- Hadeeqat-ul- Adab Dr. Salahuddin welcomed. Syed Shafi Ahmed, former President of Anjuman- E-Hadeeqat ul- Adab, compered.

Doctor at your Doorstep

Rs. 20 lakh has been spent on setting up the 20-bedded ward at the District Hospital on KRS Road and tomorrow, a vehicle will be handed over to the medical care team to shift the patients in need to the ward from the doorsteps, District Health Officer (DHO) Dr. K.H. Prasad, who is also the Chairman of NHM in Mysuru, told *Star of Mysore.*

Over 12 Health Department staff including doctors, nurses, physiotherapists and support staff will visit homes to give medical advice to patients who are in need and who are critically ill. If need be, the patients will be shifted to the District Hospital ward and will be taken care of there, he added.

Long-term care

"Full-fledged work across Mysuru District will begin from Sept. 15 (tomorrow) and we have made all preparations. Funds have been obtained from the NHM. We are focussing on patients who have developed bed sores, stroke, non-healing ulcers, cancer patients and postoperative critical care patients. Caring for these patients will be difficult at homes and we will take care of them at the District Hospital," DHO added.

In fact, the 20-bed ward was opened last year and there was no response and as such, the Health Department is taking the initiative to bring patients from their doorsteps. The lack of response to the facility is due to the fact that the District Hospital was a designated COVID Hospital for over two years and people were scared to come anywhere near it. Also, many people still think that the K.R. Hospital is the District Hospital. This is due to a lack of information, sources said.

Patients in need of care or their relatives can call '104' and help will be rushed. It will be similar to the 108 ambulance services and the helpline number for medical consultation will be 104. Upon receipt of a call, the phone attendant will note down the details and then will be passed on to the medical care team. If there is a need, professionals will visit homes to give medical advice and also shift the needy to the District Hospital.

Illumination demo on Devaraj Urs Road

MCC Pourakarmikas stage demonstration

Mysuru, Sept. 14 (RKB&DM)- Seeking fulfilment of their various demands, Mysuru City Corporation (MCC) Pourakarmikas staged a demonstration in the premises of MCC Main Office on Sayyaji Rao Road here this morning.

The demands include construction of houses for Permanent Pourakarmikas under Gruhabhagya scheme at Malalavadi (Jayanagar), providing jobs on compassionate grounds for a family member of direct payment Pourakarmikas who have died while in service, re-instatement of 48 Pourakarmikas who were relieved of service, installation of a statue of Pourakarmika icon I.P.D. Salappa in the MCC premises, construction of rest rooms for women Pourakarmikas, extension of Dasara allowance of Rs. 10,000 to contract Pourakarmikas as well, consideration of Underground Drainage (UGD) workers and garbage vehicle drivers as Pourakarmikas and extension of crisis allowance of Rs. 2,000 announced by the Government to all Pourakarmikas, among others.

Addressing the protesters, MCC Pourakarmika Federation President N. Raja said that the Government must seriously consider the demands of Pourakarmikas as they are just.

Urging the Government to address Pourakarmika issues before Dasara, he warned of Pourakarmika non co-operation during Dasara if the Government does not act on their demands by then.

Later, they presented their 13-point charter of demands to Karnataka Safai Karmachari Commission Chairman M. Shivanna, who arrived at the spot. Speaking after receiving it, Shivanna said that he would take up the matter with the Government and work seriously for the fulfilment of demands. The Commission, on its part, will honestly do its job in according due facilities to Pourakarmikas, he added.

Federation office-bearers K. Ramanjaneya, Ramaiah, Ramu and others were present.

One ticket for selected tourist places

(Continued from page 1)

A meeting was held at the Deputy Commissioner's (DC) Office this morning where the system was unveiled by DC Dr. Bagadi Gautham and Additional DC Dr. B.S. Manjunathaswamy.

Many stakeholders from the tour and hospitality industry, Tourism Department, Mysore Palace, Cauvery Neeravari Nigama Limited, Zoo Authority of Karnataka and Muzrai Department participated and welcomed the move.

The actual scheme will be launched by District Minister S.T. Somashekar on Sept. 17.

It may be mentioned here that in the recent tourism development meeting, tourism stakeholders told Somashekar that the one ticket, many destinations concept in Mysuru can go a long way in promoting tourism. At present, tourists buy entry tickets separately to all the sites in and around Mysuru.

The Minister had asked the officials to prepare a plan and to implement the same from this year's Dasara.

Stakeholders said a single ticketing system will add to the concept of Brand Mysuru and will go a long way in promoting the city as a tourist-friendly place.

As per the plan, tickets of two denominations, Rs. 400 and Rs. 500 will be introduced as a tourist-friendly measure and the tickets will give access to Mysore Palace, Zoo, Karanji Lake, KRS Dam, Chamundi Hill Temple, Dasara Exhibition, Flower Show, etc. (the details will be available once the tickets are printed).

Once the money is paid and the tourist visits that place, the revenue will automatically go to the Department in charge.

The software has already been developed by an agency and all the testing has been done before the launch, officials said.

The Karnataka State Tourism Development Corporation (KSTDC) will be the overall in charge of the single ticket system.

Speaking to *Star of Mysore*, Mysuru Travels Association President C.A. Jayakumar said that this step is a novel initiative and will promote tourism and many foreign countries and noted multiple tourist destinations in India have the system.

"We can have an idea of the tourist footfall and also take into account revenues generated. I suggested to the meeting to introduce the single system for Dasara and retain it permanently. This has a lot of benefits and will promote ease of tourism. Permanent single ticket tourism will be hassle-free for tourists who are expected to pay the entry fee at every venue," he said.

Martyr Ramaswamy remembered

Mysuru, Sept. 14 (PM&DM)- The 75th death anniversary of young freedom fighters Banawara Ramaswamy (in whose name Ramaswamy Circle in the city stands), Kadakola Toranayaka and Ranga, who died in Police firing during the 'Mysore Chalo' movement in 1947 were remembered at a programme organised by Yuva Bharat at Ramaswamy Circle here yesterday.

Floral tributes were offered to the portraits of the martyrs and Ramaswamy Memorial.

Speaking on the occasion, MLA L. Nagendra said that three youngsters including Ramaswamy died in the Police firing that took place on Sept. 13, 1947 during the Mysore Chalo.

Pointing out that the nameboard of Ramaswamy would be installed on all the five roads leading to the Circle, which is ever busy, Nagendra recalled how students had organised the Mysore Chalo movement at the Circle, which was then known as Five Lights Circle.

Stating that in 1947, the then Deputy Commissioner of Mysuru Nagarajarao had ordered firing when Ramaswamy and his fellow students surged to hoist the National Flag at the Circle, the MLA said that the heroics of the students then are an inspiration to the young generation of today in respect of Patriotism and Nationalism.

Mayor Shivakumar, in his address, said that a committee will be constituted for holding programmes to remember the icons of the city who had made enormous contributions and sacrifices.

Corporator Pramila Bharath, MUDA member Naveen Kumar, Yuva Bharat's Ajay Shastri, BJP leader Jogi Manju, leaders Rakesh Bhat, Paduvarahalli M. Ramakrishna, KRS Vijay Kumar, Girish, Naveen, Ravi Shastri, Ranganath, Vikas Shastri, Sucheendra, Sharath, Nagesh, Chakrapani and others were present at the event.

The AIDSO too observed the 75th death anniversary of Ramaswamy at another programme organised at Ramaswamy Circle in the heart of the city.

Addressing the gathering, District AIDSO (All India Democratic Students Organisation) President B.J. Subash said that Ramaswamy was a brave teenager when he felled to a bullet while trying to hoist the National Flag.

Maintaining that Ramaswamy jumped into the freedom movement when he was just 17 years old, he said that Ramaswamy played a very vital role in Mysore Chalo Movement, which ultimately led to the installation of a democratic and responsible Government in the then Princely State of Mysore and thereby acceding to the Indian Union.

AIDSO office-bearers Chandrakala, Asiya Begum and others were present.

State-level BJP Minority Morcha training workshop held

Mysuru, Sept.14 (RKB&TRR) State BJP President Nalin Kumar Kateel inaugurated the two-day State-level training workshop for the Minority Morcha of the party at Hotel President here in city on Sept.12.

Speaking on the occasion, he said the State Government is working towards the development of the minorities in Karnataka.

BJP respects those who respect Nationalism, he said adding that "Gandhiji advocated Rama-Rajya. But when Congress was ruling there was Ravana Rajya in the country. BJP is now fulfilling the Rama-Rajya dream of Gandhiji."

"It is the dream of the BJP to make India a Vishwa Guru. We consider the whole world as a family and BJP is functioning as per this ideology and there is no compromise in the ideology of BJP. Because of this, Atal Bihar Vajpayee led the country without a blemish for 6 years. Similarly, Modi is now leading the country without a blemish for the last 8 years with the motto of *Sabka Saath, Sabka Vikas*," opined the State BJP President.

Maintaining that since Jansangh days till now the BJP has never compromised in its ideology and working style, Kateel said that both the party and the country have grown enough because of this commitment.

"There is no family politics in BJP. We believe in Nationalism but in Congress both father and son are politicians. Congress hasn't sung *Vande Mataram* even for a single day. They only chant *Indira ki Jai, Rajiv Gandhi ki Jai, Sonia ki Jai* and *Rahul Gandhi ki Jai.* Congress never said *Bharat Mata ki Jai.* Because of this, the country is becoming Congress-mukt (free)," he stated.

Claiming that BJP is committed for minorities welfare, Nalin Kumar Kateel pointed out that the party had supported people like Dr. Abdul Kalam and George Fernandes when in power.

"BJP respects those who respect Nationalism and opposes those who are anti-nationals. The BJP Government at the Centre has provided justice to Muslim women by abolishing Triple Talaq and ensured their security," he observed. Apart from this, the State BJP Government has released Rs.500 crore for the welfare of the minorities and implementing various schemes for their welfare, the State BJP President concluded.

Syed Kalam, State BJP Minority President, also spoke. MLC and in-charge of State BJP Minority Morcha Ravikumar, State BJP General Secretary Siddaraju, Vice-President M. Rajendra, BJP Minority Morcha State Convenor Dr. Anil Thomas, Mayor Shivakumar, Deputy Mayor Dr. G. Roopa, City BJP President T.S. Srivatsa, Morcha's Rural President Mohisin and others were present on the occasion.

WORD OF THE DAY

Demeanour

Pronunciation: dih-MEE-ner.
Meaning: Demeanour refers to a person's behaviour toward other people. It is usually used in the singular...
Origin: The history of demeanour begins with a threat: the word has its roots in Latin minārī, "to threaten." A form of that word was used in contexts having to do with driving animals—that is, impelling them to move—and from this word developed more recent ancestors having to do with leading, guiding, and behaving. By the 14th century, English had adopted a word out of this lineage: the verb demean meaning "to conduct or behave (oneself) usually in a proper manner." (Another demean, defined as "to lower in character, status, or reputation," entered the language later by means of another root.) The noun demeanour was formed in the following century through the addition of the suffix -or.
Example: "A video of a little boy's very relaxed demeanour when traveling down a water slide has been making many people online laugh, and attracted more than 6.7 million views." — Lydia Veljanovski, Newsweek, 29 Jan. 2022.

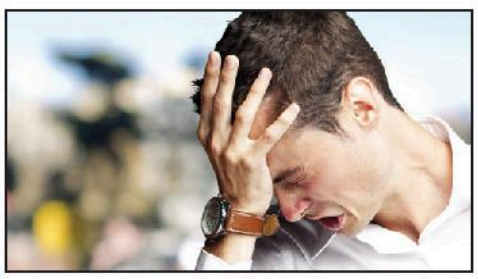
THE ODD WORD

Dearticulate

To disjoint.

PHRASE OF THE DAY

At the drop of a hat



Meaning: When you use the expression 'At the drop of a hat' you mean that something is happening instantly, without any delay.
Origin: The phrase 'At the drop of a hat' originates in the 19th century. During that time it was common to signal the beginning of a fight or race by either dropping a hat or sweeping it in a rapid downward motion.
Example: "We're all packed and ready to go; we can leave at drop of a hat."

QUOTE BOX

Live your life, do your work, then take your hat. — **Henry David Thoreau**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
